

117TH CONGRESS
2D SESSION

H. R. 7231

To direct the Secretary of the Treasury to develop and pilot digital dollar technologies that replicate the privacy-respecting features of physical cash.

IN THE HOUSE OF REPRESENTATIVES

MARCH 28, 2022

Mr. LYNCH (for himself, Mr. GARCÍA of Illinois, Ms. PRESSLEY, Ms. ADAMS, and Ms. TLAIB) introduced the following bill; which was referred to the Committee on Financial Services

A BILL

To direct the Secretary of the Treasury to develop and pilot digital dollar technologies that replicate the privacy-respecting features of physical cash.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Electronic Currency
5 And Secure Hardware Act” or the “ECASH Act”.

6 SEC. 2. DEFINITIONS.

7 In this Act:

1 (1) ECIP.—The term “ECIP” means the Elec-
2 tronic Currency Innovation Program established
3 under section 4.

4 (2) SECRETARY.—The term “Secretary” means
5 the Secretary of the Treasury.

6 **SEC. 3. ELECTRONIC DOLLAR.**

7 (a) ESTABLISHMENT.—The Secretary of the Treas-
8 ury shall promote and facilitate the development and de-
9 ployment of an electronic version of the United States dol-
10 lar for use by the general public that replicates and pre-
11 serves the privacy, anonymity-respecting, and minimal
12 transactional data-generating properties of physical cur-
13 rency instruments such as coins and notes to the greatest
14 extent technically and practically possible.

15 (b) ELECTRONIC DOLLAR REQUIREMENTS.—The
16 electronic dollar described under subsection (a) shall be—

17 (1) known as “e-cash”;

18 (2) payable to bearer;

19 (3) legal tender, as described in section 5103 of
20 title 31, United States Code;

21 (4) an obligation of the United States, as de-
22 scribed in section 8 of title 18, United States Code;

23 (5) created and issued into circulation by the
24 Department of the Treasury, in such quantities, de-
25 nominations, and technical forms as the Secretary,

1 in the Secretary's discretion, determines to be appropriate;

3 (6) distributed directly to, and capable of being owned, held, and used directly by, the general public;

5 (7) capable of instantaneous, final, direct, peer-to-peer, offline transactions using secured hardware devices that do not involve or require subsequent or final settlement on or via a common or distributed ledger, or any other additional approval or validation by the United States Government or any other third-party payments processing intermediary;

12 (8) inter-operable with all existing financial institution and payment provider systems and generally accepted payments standards and network protocols, as well as other public payments programs, including the U.S. Debit Card and Digital Pay Program and the EagleCash card program of the Department of the Treasury and any other digital dollar or public banking products;

20 (9) classified and regulated in a manner similar to physical currency for the purposes of anti-money laundering, know-your-customer, counter-terrorism, and transaction reporting laws, and thus not subject to third-party exemptions to a reasonable expectation of privacy;

1 (10) designed, issued, and administered to be
2 consistent with—

3 (A) the statutory objectives articulated in
4 subsection (c), as well as any rules, standards,
5 and criteria enacted to further those objectives;

6 (B) the consumer protections articulated in
7 subsection (d), as well as any rules, standards,
8 and criteria enacted to further those protec-
9 tions; and

10 (C) any and all other technical and policy
11 criteria established by this Act or by the Sec-
12 retary or Director under the authority granted
13 to them under this Act;

14 (11) distinguishable from other forms of elec-
15 tronic currency issued by or on behalf of the United
16 States Government, including any such forms that—

17 (A) are issued by a department, branch,
18 agency, or instrumentality of the United States
19 Government other than the Department of the
20 Treasury, including such forms of “central
21 bank digital currency” as may be issued by the
22 Board of Governors of the Federal Reserve Sys-
23 tem or its designated agents;

24 (B) are legally classified as an account bal-
25 ance or any other kind of financial instrument

1 not payable to bearer or that otherwise require
2 identification and account or device registration
3 to hold, access, or use;

4 (C) are not distributed directly to, or otherwise capable of being owned, held, or used directly by, the general public;

7 (D) fail to replicate and preserve the privacy, anonymity-respecting, and minimal transactional data-generating properties of physical currency instruments such as coins and paper notes to the greatest extent technically and practically possible; and

13 (12) not included in calculations of public debt subject to limit under section 3101 of title 31, United States Code.

16 (c) STATUTORY OBJECTIVES.—The Secretary shall promulgate and enforce rules, standards, and criteria pertaining to the development and implementation of e-cash instruments, devices, technologies, platforms, and supporting and enabling infrastructure, as well as the issuance, dissemination, circulation, storage, and use of e-cash balances, including use in transactions, in such a manner and to such an extent as the Secretary determines to be necessary or appropriate to achieve the objectives of this Act, subject to the following conditions:

1 (1) OWNERSHIP.—The Secretary shall require
2 that any and all e-cash instruments are capable of
3 being owned, held, and used directly by the general
4 public via widely available hardware devices, without
5 the necessary involvement of third-party custodial or
6 payment processing intermediaries.

7 (2) PRIVACY.—The Secretary shall require that
8 any hardware device authorized to hold or otherwise
9 facilitate transactions involving e-cash shall be se-
10 cured locally via cryptographic encryption and other
11 appropriate technologies, and shall not contain or be
12 subject to any surveillance, personal identification or
13 transactional data-gathering, or censorship-enabling
14 backdoor features.

15 (3) UNIVERSALITY.—The Secretary shall
16 prioritize wherever possible technologies, practices,
17 and programs that promote universal access and
18 usability, particularly for—

19 (A) individuals with disabilities, including
20 visual impairment;
21 (B) low-income individuals; and
22 (C) communities with limited access to the
23 internet or telecommunications networks.

24 (4) INCLUSION.—The Secretary shall take into
25 consideration the unique needs and circumstances of

1 marginalized communities and populations that have
2 historically been excluded from or otherwise pre-
3 vented from taking full advantage of traditional and
4 current financial institutions and payment services.

5 (5) TRANSPARENCY.—The Secretary shall seek
6 out and prioritize wherever practically feasible the
7 use of hardware and software technologies issued
8 under open-source licenses, and shall further require
9 that all publicly funded research and technology be
10 released under a suitable open-source license and
11 made available for study and review by the scientific
12 community and the general public, except to the ex-
13 tent that doing so would undermine or impair the
14 security and integrity of e-cash devices or instru-
15 ments.

16 (d) CONSUMER PROTECTIONS.—

17 (1) FEES.—The Government may charge rea-
18 sonable prices when selling e-cash-compatible hard-
19 ware (henceforth “e-cash devices”) directly to the
20 public, provided such prices are proportionate to,
21 and not unduly in excess of, actual production and
22 administration costs, but may in no instance impose
23 fees or other charges for holding, receiving, sending,
24 or otherwise transacting with e-cash balances using
25 such devices.

12 (A) received in the form of an increase in
13 the available balance of an existing e-cash de-
14 vice or as a balance on a newly issued e-cash
15 device; and

(4) DISCLOSURES BY E-CASH DISTRIBUTORS —

1 and any other terms considered relevant by the
2 Bureau of Consumer Financial Protection shall
3 be clear and readily understandable, in writing,
4 and in a form the e-cash instrument bearer can
5 reasonably maintain.

6 (B) FORM OF DISCLOSURES.—Disclosures
7 described under subparagraph (A) may be pro-
8 vided to the consumer in offline electronic form,
9 subject to compliance with the consumer-con-
10 sent and other applicable provisions of the Elec-
11 tronic Signatures in Global and National Com-
12 merce Act (15 U.S.C. 7001 et seq.).

13 (5) LIABILITY OF ISSUERS FOR UNAUTHORIZED
14 TRANSFERS.—Neither the issuing entity nor any
15 other Government agencies or approved e-cash dis-
16 tributors shall be held liable for unauthorized trans-
17 fer of e-cash balances, so long as the appropriate
18 disclosures and protections described in this Act are
19 made.

20 (6) FEES BY MERCHANTS.—It shall be unlawful
21 for the United States Government, authorized e-cash
22 distributors, or any other person to impose a service
23 fee or an interchange fee, or other processing fee or
24 surcharge, for the use of e-cash in payments or pur-
25 chases.

1 (7) BANKRUPTCY.—E-cash instruments and
2 balances shall be considered exempt property equivalent to physical currency for the purposes of Chapter
3
4 7 Bankruptcy proceedings.

5 (8) TRANSACTIONAL REPORTING.—Under no
6 circumstance, regardless of the particular technology
7 involved, shall any transaction data generated by e-
8 cash payments be collected, monitored, or retained
9 by the United States Government, an authorized e-
10 cash distributor, or any other counterparty except
11 via the exemptions provided by this Act.

12 (9) PREEMPTION OF INCONSISTENT STATE
13 LAWS.—State consumer laws are pre-empted unless
14 the Director of the Bureau of Consumer Financial
15 Protection determines, upon the Director's own mo-
16 tion or upon the request of a State government, but
17 ultimately in the Director's sole discretion, that a
18 State's consumer protection laws are not pre-
19 emted.

20 (e) REQUIREMENT TO ACCEPT E-CASH.—

21 (1) FEDERAL GOVERNMENT.—The Federal
22 Government shall—

23 (A) accept e-cash for any payment to the
24 Federal Government, including payments for
25 taxes, fines, and fees; and

(B) upon request, provide any Federal Government benefit in the form of e-cash.

8 (f) ILLICIT FLOWS.—

17 (2) INCLUDING UNDER THE BANK SECRECY
18 ACT —

(D) as subparagraph (E),

2 (C) the following:

3 “(D) e-cash, as defined under section 3 of
4 the ECASH Act; and”; and

5 (iv) in subparagraph (E), as so redesignated, by striking “subparagraph (A),
6 (B), or (C)” and inserting “subparagraph
7 (A), (B), (C), or (D)”.

(B) AMENDMENTS TO DOLLAR THRESHOLDS.—At any time, the Director of ECIP may increase the value thresholds applicable to each cash for any reporting requirement under subchapter II of chapter 53 of title 31, United States Code, but may at no time decrease such value thresholds.

16 (g) SYSTEMIC LIQUIDITY.—The Board of Governors
17 of the Federal Reserve System shall take appropriate
18 measures to ensure that the implementation and adoption
19 of e-cash does not disrupt or substantially impact the gen-
20 eral availability or cost of liquidity for depository institu-
21 tions, credit unions, or community development financial
22 institutions, or their capacity to extend credit and other
23 financial services to underserved populations, as described
24 under the Community Reinvestment Act of 1977, and any
25 other applicable Federal and State laws, however such

1 measures may in no way impair, restrict, or otherwise
2 limit the ability of the public to access, hold, and use e-
3 cash.

4 **SEC. 4. ELECTRONIC CURRENCY INNOVATION PROGRAM.**

5 (a) **IN GENERAL.**—The Secretary shall establish the
6 Electronic Currency Innovation Program to direct, over-
7 see, coordinate, and harmonize the development, imple-
8 mentation, maintenance, and regulation of e-cash instru-
9 ments, devices, technologies, platforms, and supporting
10 and enabling infrastructure in accordance with the tech-
11 nical and policy criteria established by this Act.

12 (b) **DIRECTOR.**—

13 (1) **APPOINTMENT.**—

14 (A) **IN GENERAL.**—The head of the ECIP
15 shall be the Director, who shall be appointed by
16 the President, by and with the advice and con-
17 sent of the Senate.

18 (B) **TERM.**—The term of the Director is 5
19 years.

20 (C) **REMOVAL.**—The President may re-
21 move the Director from office. On removal, the
22 President shall send a message to the Senate
23 giving the reasons for removal.

24 (D) **INTERIM DIRECTOR.**—When a Direc-
25 tor has not yet been confirmed or appointed,

1 the Secretary may, subject to the consent of the
2 President, appoint an Interim Director, who
3 shall enjoy the full powers and privileges of the
4 Director as established under this Act until
5 such time as a permanent Director is confirmed
6 and appointed. In the event neither a Director
7 or Interim Director is appointed, all responsibil-
8 ties and duties assigned to the Director under
9 this Act shall be assumed by the Secretary.

10 (2) DUTIES AND POWERS.—The duties and
11 powers of the Director are as follows:

12 (A) Promote innovation in, and ensure the
13 successful implementation and widespread
14 adoption of, e-cash instruments, devices, tech-
15 nologies, platforms, and supporting and ena-
16 bling infrastructure in accordance with this Act,
17 by—

- 18 (i) directing, conducting, sponsoring,
19 and publishing research;
- 20 (ii) generating, collecting, analyzing,
21 and publishing data;
- 22 (iii) acquiring, developing, dissemi-
23 nating, and sharing open-access tech-
24 nologies and technical knowledge;

(iv) developing and administering e-cash pilot programs, both individually and in partnership with other actors and entities that the Secretary determines appropriate;

(v) promulgating, and enforcing rules, objectives, standards, and criteria pertaining to the development and implementation of e-cash instruments, devices, technologies, platforms, and supporting and enabling infrastructure, as well as the issuance, dissemination, circulation, storage, and use of e-cash, including its use in transactions;

(vi) coordinating with other actors, including other departments, branches, agencies, and instrumentalities of the United States Government, as well as State, local, and foreign governments and international regulatory bodies, in furtherance of the general goals of this Act; and

(vii) developing and disseminating public educational materials and conducting public educational campaigns to foster awareness and understanding of e-

1 cash and its economic and social signifi-
2 cance in the broader monetary system.

3 (B) Such other duties and powers as the
4 Secretary may delegate or prescribe.

5 (c) STAFF, EQUIPMENT, AND FACILITIES.—The Di-
6 rector shall be authorized to hire staff, purchase equip-
7 ment, and rent or acquire facilities as the Director deter-
8 mines to be appropriate to achieve the goals and objectives
9 established under this Act, subject to the approval of the
10 Secretary.

11 (d) PILOT PROGRAMS.—

12 (1) ESTABLISHMENT.—

13 (A) IN GENERAL.—Not later than 90 days
14 after the enactment of this Act, the Director
15 shall initiate a two-phase e-cash pilot program
16 in anticipation of general deployment of e-cash
17 to the public not later than forty-eight months
18 after the date of enactment of this Act.

19 (B) PHASE 1.—Phase 1 of the pilot pro-
20 gram shall consist of not less than three dis-
21 tinct pilots (in this section referred to as
22 “Proof-of-Concept Pilots”), each of which shall
23 launch no later than 180 days after the date of
24 enactment of this Act, and run for no longer
25 than 360 days thereafter.

(D) EXTENSION OF TIMELINES FOR PILOT PROGRAMS.—The timelines for the implementation of the two phases of the e-cash pilot program described in this paragraph may be extended upon a determination by the Director that such an extension is necessary to ensure the security and integrity of the technologies to be piloted in the program.

16 (2) ADMINISTRATION.—

(B) PROOF-OF-CONCEPT PILOTS.—Proof-of-Concept Pilots may be conducted—

1 nancial institutions, non-bank payment
2 providers aimed at promoting financial in-
3 clusion, technology-focused financial firms
4 and companies, financial technology com-
5 panies, or foreign central banks; and

6 (ii) through, or in partnership with,
7 any existing Federal, State, or local gov-
8 ernment fund disbursement and payments
9 program, including those that rely on the
10 U.S. Debit Card and Digital Pay Program,
11 the EagleCash Card program, or any other
12 payments technology offered by or in part-
13 nership with the Bureau of the Fiscal
14 Service of the Department of the Treasury.

15 (C) FIELD TEST PILOTS.—Field Test Pi-
16 lots may be conducted in partnership with any
17 entity capable of partnering for a Proof-of-Con-
18 cept Pilot, as well as other departments,
19 branches, agencies, and instrumentalities of the
20 United States Government, or State, local, and
21 foreign governments and international regu-
22 latory bodies.

23 (3) OBJECTIVES.—The objectives of the pilot
24 programs are to test the viability and capacity of
25 various forms of e-cash technologies to—

- 1 (A) preserve the privacy, anonymity-respecting, and minimal transactional data-generating properties of physical currency instruments such as coins and notes to the greatest extent technically and practically possible;
- 2 (B) enforce total balance and transactional activity limits on a per-device basis without rendering such devices vulnerable to surveillance or censorship by third parties including the United States Government;
- 3 (C) deploy rapidly, securely, and efficiently on a mass scale; and
- 4 (D) maintain ease of use and interoperability with existing financial institution and payment provider systems, as well as any other digital dollar products.

5 (4) PARAMETERS AND CONSTRAINTS.—

- 6 (A) All technologies selected for Proof-of-Concept Pilots and Field Test Pilots shall be—
- 7 (i) designed as bearer instruments;
- 8 (ii) capable of instantaneous, final, direct, peer-to-peer, offline transactions; and
- 9 (iii) capable of being distributed directly to, and owned, held, and used directly by, the general public.

7 (C) At least one technology selected for
8 Proof-of-Concept Pilots shall include a stored-
9 value or pin card option for storage and pay-
10 ment of e-cash.

11 (D) At least one technology selected for
12 Proof-of-Concept Pilots shall include a cell
13 phone or SIM card option for storage and pay-
14 ment of e-cash.

15 (E) All technologies selected for Field Test
16 Pilots shall have or at a minimum be capable
17 of incorporating stored-value card functionality.

(5) SPECIAL TENDER AUTHORITY.—In order to facilitate and promote the effectiveness of the pilot programs, the Secretary may grant special recognition of prototypical e-cash instruments issued under a pilot program as legal tender, and direct the Board of Governors of the Federal Reserve System, other departments, branches, agencies, and instrumentalities of the United States Government, any

1 other federally regulated financial institution to ac-
2 cept such prototypical e-cash instruments in settle-
3 ment of outstanding obligations on an at-par basis.

4 (6) REPORTING.—Not later than 180 days after
5 the date on which each phase of the pilot programs
6 terminates, the Secretary shall submit to Congress a
7 report regarding that phase of the pilot programs,
8 which shall—

9 (A) include—

10 (i) a description of which elements of
11 the pilot programs were successful and
12 which were unsuccessful;

13 (ii) recommendations regarding legis-
14 lative changes to the pilot programs and
15 related authority under this Act and else-
16 where; and

17 (iii) recommendations for additional
18 pilots and revisions to the pilot program;
19 and

20 (B) make the nonsensitive analytical data
21 available for public review and comment.

22 **SEC. 5. DIGITAL DOLLAR COUNCIL.**

23 (a) IN GENERAL.—The Secretary shall establish the
24 Digital Dollar Council (in this section referred to as “the
25 Council”) to coordinate the Secretary’s ECIP-related ac-

1 tivities with the efforts of other bureaus of the Depart-
2 ment of the Treasury and other departments, branches,
3 agencies, and instrumentalities of the United States Gov-
4 ernment, including the Board of Governors of the Federal
5 Reserve System and the United States Postal Service.

6 (b) MEMBERSHIP.—The Council shall be comprised
7 of the Secretary, the Director of ECIP, the Chairman of
8 the Board of Governors of the Federal Reserve System,
9 the Postmaster General of the United States Postal Serv-
10 ice, the Director of the Office of Science and Technology
11 Policy, the Chief Technology Officer of the United States,
12 and the Director of the National Institute of Standards
13 and Technology, and any other Federal employees or rep-
14 resentatives of Federal agencies as the Secretary, in the
15 Secretary's discretion, determines to be appropriate.

16 (c) LEADERSHIP.—The head of the Council shall be
17 the Secretary, however, the Secretary may, at the Sec-
18 retary's discretion, delegate administrative and decision-
19 making responsibility to the Director.

20 (d) AUTHORITY.—The Council shall have the power
21 to redeploy personnel and resources among the various
22 participating agencies, as well as establish or amend any
23 rules and regulations promulgated by any participating
24 agencies to the extent the Council determines such actions

1 to be necessary to achieve the goals and objectives estab-
2 lished under this Act.

3 (e) JURISDICTION.—Nothing in this section shall be
4 construed as taking away any powers heretofore or other-
5 wise vested by law in the Secretary, and wherever any
6 power vested in the Council appears to conflict with the
7 powers vested in the Secretary under this Act, such powers
8 shall be exercised subject to the supervision and control
9 of the Secretary.

10 (f) JOINT REPORT.—Beginning 180 days after the
11 date of enactment of this Act, and each 180 days there-
12 after, the Council and the National Institute for Stand-
13 ards and Technology shall issue a joint report to the Con-
14 gress detailing a plan to achieve full interoperability with
15 existing public and private payments systems within 1
16 year.

17 **SEC. 6. MONETARY PRIVACY BOARD.**

18 (a) IN GENERAL.—There is established a Monetary
19 Privacy Board (in this section referred to as “the Board”).

20 (b) MEMBERSHIP.—

21 (1) IN GENERAL.—The Board shall be com-
22 prised of 5 members, appointed by the President, by
23 and with the advice and consent of the Senate.

24 (2) CHAIR.—The President shall appoint one
25 member of the Board as the Chair of the Board. Ex-

1 cept as provided under subsections (c) and (e), the
2 Chair shall—

3 (A) make all decisions of the Board with
4 respect to staffing, hiring, and budget alloca-
5 tion; and

6 (B) conduct the meetings of the Board.

7 (3) TERM.—The term of each member of the
8 Board is 3 years.

9 (4) REMOVAL.—The President may remove a
10 member of the Board from office. On removal, the
11 President shall send a message to the Senate giving
12 the reasons for removal.

13 (5) INTERIM MEMBERS.—When a vacancy on
14 the Board remains open for more than three
15 months, the President may appoint an interim mem-
16 ber to fill that vacancy. Interim members shall enjoy
17 the full powers and privileges of a full member until
18 such time as a permanent member is appointed and
19 confirmed.

20 (c) MEMBER OFFICES.—Each member of the Board
21 shall be entitled to spend 5 percent of the budget of the
22 Board on the personal office and staff of the member.

23 (d) DUTIES AND POWERS.—

24 (1) IN GENERAL.—The Board shall review the
25 actions and decisions of the Secretary, the Director

1 of ECIP, and ECIP generally on an ongoing basis
2 to evaluate the extent to which their decisions are
3 consistent with their statutory responsibilities under
4 this Act, and more broadly, a general commitment
5 to preserving the privacy interests of individuals and
6 actors that use e-cash and other forms of digital dol-
7 lar technologies issued or administered by the
8 United States Government.

9 (2) SEMI-ANNUAL REPORT.—The Board shall
10 issue a report to Congress no less than twice per
11 year—

12 (A) detailing its findings from its ongoing
13 review process;

14 (B) providing an assessment of the general
15 state of monetary privacy in the United States;
16 and

17 (C) offering recommendations for how to
18 better protect civil liberties and individual pri-
19 vacy interests through legislative and regulatory
20 reform.

21 (3) INTERIM REPORTS.—The Board, or one or
22 more members thereof, may publish interim reports
23 or any other communication at any time at their dis-
24 cretion, provided such reports and communications
25 are clearly distinguished from the reports required

1 under paragraph (2), and the particular authors and
2 co-signatories are clearly indicated.

3 (e) FUNDING AUTHORITY.—The Board shall submit
4 an annual budget request to the Secretary, and the Sec-
5 retary shall transfer the requested amount to the Board,
6 using the authorities provided under section 7(b), unless
7 the Secretary determines that the amount is unreasonable
8 in light of the Board’s duties and powers under this Act.

9 **SEC. 7. ENABLING AUTHORITY.**

10 (a) AUTHORIZATION OF APPROPRIATIONS.—There
11 are authorized to be appropriated such sums as may be
12 necessary to carry out this Act.

13 (b) FINANCING.—

14 (1) FUND ACCOUNT.—The Federal Reserve
15 Bank of New York shall establish a new account on
16 behalf of the Secretary, called the “Treasury Elec-
17 tronic Currency Innovation Fund Account” (in this
18 section referred to as the “Fund Account”).

19 (2) USE OF FUND ACCOUNT.—The Secretary
20 shall effectuate any and all spending under this Act
21 by drawing an overdraft on the Fund Account,
22 which shall be accommodated and facilitated auto-
23 matically, on an indefinite basis, and without the im-
24 position of any interest charge or other form of
25 maintenance or overdraft fees by the Federal Re-

1 serve Bank of New York and the Board of Gov-
2 ernors of the Federal Reserve System.

3 (3) OVERDRAFT TREATMENT.—The Fund Ac-
4 count shall be exempt from any overdraft prohibi-
5 tions that currently apply to other accounts adminis-
6 tered on behalf of the Department of the Treasury
7 Department by the Federal Reserve System or a
8 Federal reserve bank, and any overdraft liability in-
9 curred by the Department of the Treasury shall not
10 be included in calculations of public debt subject to
11 limit under section 3101 of title 31, United States
12 Code.

13 (4) TREATMENT OF LOSSES.—The Federal Re-
14 serve Bank of New York shall record any losses in-
15 curred as a result of spending undertaken on behalf
16 of the Secretary from the Fund Account as a de-
17 ferred asset (as described in section 11.96 of the Fi-
18 nancial Accounting Manual for Federal Reserve
19 Banks, as in effect on the date of the enactment of
20 this Act) and shall be excluded from calculations of
21 the net operating position or consolidated balance
22 sheet of the Federal Reserve Bank of New York or
23 the Federal Reserve System, so as to not reduce or
24 impact the calculation of total income or revenue
25 generated by the Federal Reserve System, or other-

1 wise reduce the total amount of net operating profits
2 to be made available for remittance to the Treasury
3 on an ongoing basis.
